PR

We offer comprehensive solutions for optimal manufacturing by providing standard units that include air chucks, conveyors, and tray changers, single devices such as the wire-saving system Uniline, and custom-made products that meet customer needs, as well as by proposing modules that combine our wide range of products.

For more information, please contact our overseas offices in China, Vietnam, or Thailand or our overseas distributors.

弊社標準ユニットであるエアチャック、コンベア、トレチェン・省配線機器ユニライン等の設備機器単体の提供はもちろん、ご要望に合わせた特注品対応や豊富な自社商品の組み合わせによるモジュールの提案などお客様の最適なモノづくりを、総合的にご提案致します。
